

Tea

Teawolf is the Leading Manufacturer of Extracts, Distillates, & More...

Teawolf offers hundreds of different tea products, all of which are carefully manufactured in our state-of-the-art New Jersey processing facility. Often sourcing direct from the estates, we import tea from the finest growing regions in Argentina, Sri Lanka, Indonesia, South Africa, Kenya, and dozens of other countries known for their premium grade tea leaf. The selection process allows us to produce the highest quality extracts, distillates, essences, concentrates and master blends available in the US.
